

NURTURING THINKERS, SHAPING COMMUNITY

WELCOME TO RYOZAN PARK MONTESSORI

where every day is a new adventure in learning and growth! We are excited to introduce you to our innovative and nurturing environment, designed to foster your child's curiosity, independence, and love for learning.

MISSION STATEMENT

Our mission is to nurture independent thinkers, celebrate diversity, and foster strong community bonds. We prepare children to become responsible global citizens who embrace equity and inclusion, inspiring a brighter future for all.

KEY FEATURES

MONTESSORI EXCELLENCE

Our classrooms are enriched with Montessori materials that engage your child's senses and intellect. This approach encourages self-discovery and develops essential life skills, nurturing a strong foundation for academic and personal success.

ENGLISH IMMERSION

At RZP Montessori, language acquisition is effortless with our immersive program. Our dedicated educators create a nurturing environment where children learn English through play and exploration.

COMMUNITY BUILDING

We exist to support the family as a whole and encourage the professional and social development of our students' guardians through optional workshops, events, and regular communication. Together, we create a seamless bridge between home and school for a holistic educational experience.

PROGRAMS

MONTESSORI KINDERGARTEN (09:00-14:00)

Ages 2.5 to 6

We offer a Montessori experience in line with the standards set by the Association Montessori Internationale: an uninterrupted 3-hour work cycle offering a full range of Montessori materials in the areas of practical life, sensorial, language, mathematics, and culture well as access to our rooftop outdoor space.

AFTERSCHOOL PROGRAMS

PRE-ELEMENTARY (14:30 - 17:00)

Ages 3 to 6

The perfect after-school fun for kindergarteners. After a Montessori work cycle, the children enjoy activities such as exploring the local area, tending vegetables on the rooftop, dancing, creating art and doing science experiments – all in English.

No previous English experience is necessary.

LOWER ELEMENTARY (15:00 - 17:00)

Ages 6-9

An advanced class for lower elementary children to explore topics related to diversity, equity and inclusion (DEI) through English. In this holistic project-based class, children will discuss their identities and interests, learn about diverse cultures and ideas and find ways to help their community.
